TMIY
THAT MAN IS YOU!
THE REVELATION OF THE FATHER

THAT MAN IS YOU!

is an interactive men's program focused on the development of male leadership in the modern world. It combines the best research from science with the teachings of the Catholic faith and the wisdom of the saints to develop the vision of authentic men capable of transforming themselves, their families and greater society.

The Revelation of the Father calls men to take the next step in their leadership. It moves beyond good intentions and into legacy. This journey prepares a man to lay foundations that will outlast him. Foundations strong enough to carry his children, his grandchildren, and a culture hungry for truth. It forms not spectators, but builders - architects of an authentically Christian civilization that become the very foundation of a new springtime of Christianity.

THIS POWERFUL NEW YEAR OF TMIY WILL EQUIP MEN TO:

- Discover the Catholic vision of love and marriage: powerful enough to break through modern emptiness and lead men to true greatness.
- How modern neuroscience affirms what the Church has always taught: a man is made for heroic love, faithful commitment, and lasting fatherhood.
- Reclaim the strength, honor, and eternal significance of a father's heart and its role in forming souls for eternity.
- Face the battles confronting fathers and gain the clarity, tools, and conviction needed to lead your family.
- Encounter St. Joseph: the model of authentic masculinity and guide for becoming a man after God's own heart.
- Step into the renewal God is calling forth in men today: a renewal that will restore fathers, rebuild marriages, strengthen families, and change the world.

PRAISE FOR THAT MAN IS YOU!

"TMIY has had a huge impact on my life. I can point to my attending the program as the beginning of the trajectory that led to my entering discernment for the permanent diaconate, and God-willing I'll be ordained in September." -Participant, PA

"I was in need of enhanced spiritual care, and the TMIY program provided this care. So now, I have made it my mission to be that bridge to spiritual care for military members and help people of all faiths, including Catholic Military members practice their faith and be spiritually fulfilled!" -Participant, SSgt. United States Air Force

"I approach things from God's perspective, I pray more, read the Bible, and am now modeling St. Joseph in patience, humility, and hard work, and by being more disciplined in my daily life with my faith and family." -Participant, NY

"It is impossible not to leave without growing in our faith, and sharing that growth, not only with our spouses, but with family, friends, our circle of acquaintances, and really anyone who is willing to listen!" -Participant, Canada
